Futura - Dedicated to All Students of

Gavit High

Brick, glass, steel, concrete, these are the things a school is made of. Construction: A school "building" is composed of such materials. Laughter, tears, smiles, shouts, hellos, crowds of kids, organized confusion, these are true ingredients of a school. On the tenth anniversary of Donald E. Gavit Jr.-Sr. High School we dedicate this book, THE FUTURA, to all the hopes and dreams which have lived, live now, and will live within Gavit's walls, and the students which they represent.

School City Honors

By R. B. MILLER, *Superintendent of Schools*

The honor of having a school building named after an individual comes to relatively few, and especially is it an exception that a school building is named for a person during his lifetime.

The fact that such an honor has been accorded to Donald E. Gavit by action of the Board of School Trustees, elected by and representing the voters of the City of Hammond, indicates recognition of "long, outstanding, conscientious and dedicated service to the schools as teacher and Business Manager."

The various members of the Board of School Trustees under whom Mr. Gavit has served during his twenty-five years as Business Manager have respected and concurred in his belief that the schools must be operated for the benefit of the children and that costs of education are, in general, comparative with quality of education.

Because of his fine spirit of cooperation, the maintenance employees, teachers, principals and administrators join in extending hearty congratulations to Donald E. Gavit for his great and deserving honor which has been bestowed upon him.

Big Plans Taking Shape

G.H.S. Groundbreaking ceremony, March 30, 1961, marks the beginning of the beginning.

1961

It all began in March of 1961. The plans of a new school were leaving the drawing boards and becoming a reality.

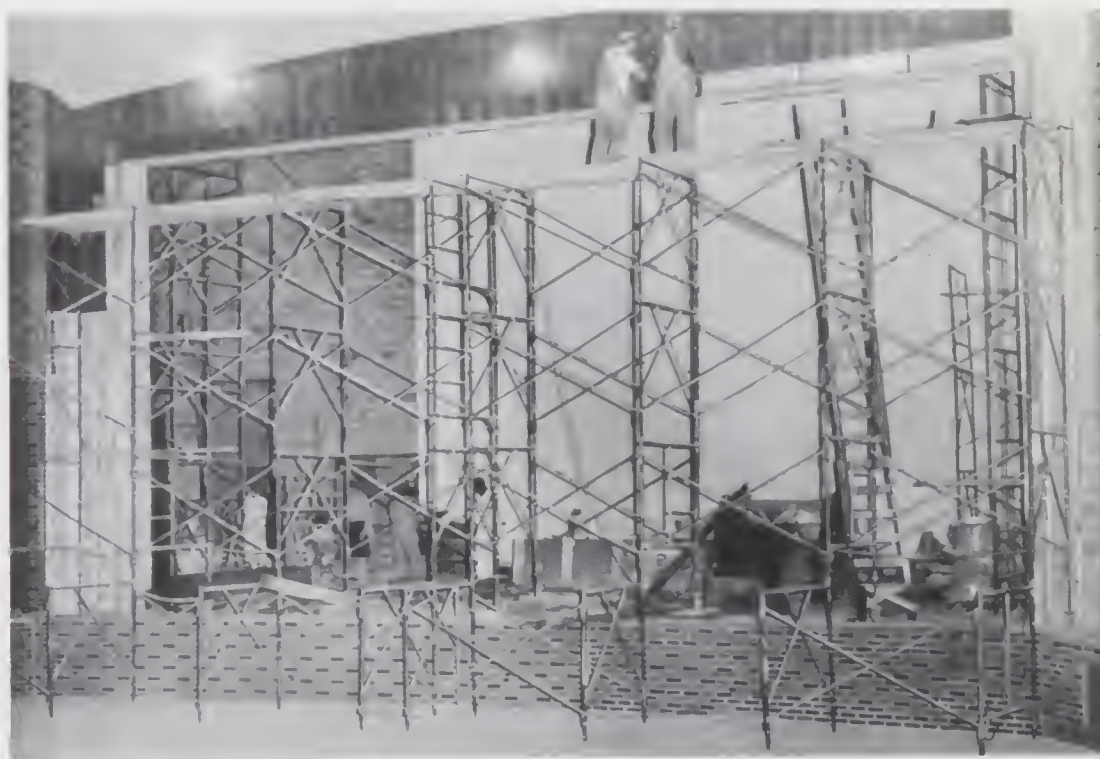

The completion of Donald E. Gavit Junior Senior High School brought to Hammond a new high school to meet the needs of a rapidly growing high school population.

The 7th, 8th and 9th grades were in attendance in September. The 10th grade was added in 1962; the 11th in 1963; and the first class graduated in 1964.

The students found the most modern facilities in the building. Those to educate the whole child. All the Science, English and other subject matters one needed for a well rounded background.

Since then Gavit High School has been expanded. The proposed auditorium with a seating capacity of 1200, band and music rooms, shops and additional classrooms are now part of the living picture at Gavit.

Another asset of the school is the new football field with its adequate parking facilities. New flood lights and bleachers have also been added.

The Gavit Auditorium with a seating capacity of 1200 is close to a beautiful completion.

TEN YEARS

AFTER

Yes, it's been that long. This year marks the 10th anniversary of Donald E. Gavit Jr. Sr. High School.

Gavit started out as a plan to give the students of the area a school of their own. But the plan developed far beyond that point.

Since then, Gavit has led many teams to victory, brought many friends together, and helped make ready the many Seniors for their step into the busy world.

For the students attending Gavit, an air of personality has taken form in the building. A familiar setting of excitement, laughter filled halls, and the awareness of things happening within.

Construction Continues

On May 26, 1965 the music area, shop area, the west wing, and the auditorium and stage facilities were dedicated. The music area included middle school music rooms, an orchestra room, senior band room and a senior choral room. The shop area is comprised of electricity, electronics, graphic arts, mechanical drawing, wood work and metal laboratories. The auditorium and stage facilities included a mirrored make-up room, two dressing rooms, an auditorium that seats 1140 and a little theater which seats 144.

These events are just a few of the ones that helped to get Gavit started and shape it the way it is now. Since that first graduating class of 1964, Gavit has expanded and grown to the extent that we see every day.

This spring, a new Physical Education addition is being added to the Donald E. Gavit High School facilities. This addition will include an Olympic size pool. The pool will make possible the introduction of water sports to the Gavit athletics agenda. The P.E. addition will also include a separate area for wrestling practice and meets. With an outlook for practicality, hair dryers will be installed near the pool facilities so that colds are not contracted due to wet hair. Hair dryers will be available for both males and females. It is hoped that this P.E. center will increase interests in sports, and also aid students in attaining health and physical fitness.

Construction on auditorium begins in Summer 1964.

Dedicated Teachers Endow GHS With Their Knowledge

For the past ten years, the students of Gavit have been guided through their high school years by the group of teachers pictured below. Their respective fields of instruction cover a large scope of subjects: English, Mathematics, Social Studies, Home Economics, Art, Drama, Languages, and Physical Education. Others have rendered their advice officially, as counselors and student advisors, or unofficially as friends, and people genuinely interested in the welfare of Gavit students.

These teachers have aided us in acquiring the skill to distinguish gerunds from infinitives, solve polynomial equations, mold lumps of clay into creative expressions of life, understand the history and workings of our government, develop fluency in foreign languages, acquire physical prowess in sports, appreciate the growth of theater throughout the civilized world, and manage a household efficiently. In more ways than one, these teachers have aided the adolescent's metamorphosis from child to adult.

"No printed word nor spoken plea can teach young hearts what men should be. Not all the books on all the shelves, but what teachers are themselves."

We observe today the dedication of a modern secondary school provided by our fellow citizens who believe in the American way of life and equal educational opportunities for all.

Ours is a responsibility of enormous proportions. We face a rapidly changing and complex world. We pledge to extend our greatest energies to lead our young citizens through these complexities and to provide them with the tools for their endeavors.

The responsibilities, the opportunities, the hardships, and the disappointments of tomorrow will be met successfully by those with the "know how" and the "will to do." The development of the mental, the social, and the spiritual attitudes sufficient to master all challenges of the future is our assignment.

The faculty of the Donald E. Gavit School accepts the responsibilities that are theirs, and joins with the community and the school administration in the all important task of developing an educational institution worthy of the boys and girls of today and the generations of tomorrow.

GHS Recognizes

Sue Sanders, (now Mrs. William Ault), graduated from Gavit in 1964. She was our first valedictorian and first editor of the "Futura." Since graduation, Sue has attained many honors for herself. She attended Indiana University in Bloomington where she received her A.B. degree, in 1968. Her major was German, minor was Russian, and she belonged to the Alpha Gamma Delta Sorority. She married William Ault, Jr., in August of 1963. Her husband is a math teacher at Floyd Central High School, while Sue's present occupation is a German teacher and Yearbook advisor at Clarksville Sr. High. Her plans for the near future are to finish work on her Master Degree (which she is halfway through now), and to spend nine weeks in Europe this summer.

Jerry R. Knoth, a 1965 Gavit grad, has made many accomplishments for himself. He attended Purdue University in Lafayette, where he received a B.S. degree in 1969. Jerry's major was Computer Science, and minor was Biology. Since then he has worked for a computer manufacturer, Control Data Corporation, in Minneapolis, Minnesota, as a Systems Analyst and Programmer. In 1967 Jerry married Nancy Linowski, also a '65 Gavit graduate.

A graduate of 1966, William G. Thegze was an honored student. Since graduation, he has attended Oberlin College in Oberlin, Ohio, and received a bachelor's degree in mathematics in 1970. At present William is attending Northwestern University where he is working on his master's degree.

Scholastic Excellence

The 1968 Valedictorian was Beth Bassanda. Beth is currently attending Indiana University in Bloomington. She will receive her Bachelor of Music Education degree with concentration on piano in December, 1971. She hopes to begin teaching music in January, 1972. Her plans for the near future include marriage early in 1972.

Linda Schneider (Mrs. Douglas Harris), graduated from Gavit in 1967. She is now a senior at Indiana University in Bloomington, majoring in German. Her minor is math. Linda will be certified to teach these subjects in high school after she receives her B.A. degree in June. She married last August to Douglas Harris, from Western Springs, Illinois. He will graduate this spring from Indiana University with a B.S. degree in accounting. Linda belongs to the Sigma Kappa Sorority, and her husband to Phi Sigma Kappa Fraternity.

Gail Hartman, graduated from Gavit in 1969. She is now in her second year at the University of Chicago. Gail has chosen to follow in her father's footsteps by majoring in Psychology.

She has not decided on her plans for the future. She feels that she would rather wait a few years before choosing either to continue her education or to enter a related field of psychology.

Anne Royal was the valedictorian of the class of 1970. She is presently attending Carleton College in Minnesota. Her major is language with an emphasis on German.

Anne has an intense interest in music and is a member of a musical group in college. Her greatest philosophy about life is to enjoy it.

'Midst of Heaven' Picked as Prom Theme

The night of Prom reaches a climax. Mary Jo Parkovich beams with excitement as she is crowned, while Dan Faden and Pat Pappas look on.

The theme, "In the Midst of Heaven" provided the atmosphere for the 1970 Junir-Senior Prom held on May 16, 1970. Candlelight, garlands and decorated pillars enhanced the Marquette Pavilion.

The evening was beautiful, as only Prom night can be, bringing with it tuxes, pastel formals, sweet flowers and lingering perfume.

Later, the couples present watched Jim Barton, Junior Class President, lead the coronation ceremonies. Mary Jo Parkovich, escorted by Dan Faden was crowned Prom Queen. Her court included Carol Baran, escorted by Brian Bell, Devida Houldson, escorted by Reed Hayne, Regina Linsenmann, escorted by Dave Huneryager, and Robin Blosky, escorted by Dan Thornton.

Choral Department Participates

Our Choral Department was very busy this year. They presented a Christmas Concert; participated in a Beethoven Ceremonial with the Symphonic Band. At Christmas-time the Concert Choir caroled in our halls. Many students also participated in local and state contests. In addition to these accomplishments, the Choral Department also put on a Spring Concert consisting of musical highlights of the past ten years. Mr. Thomas Clark is the director of the Choral Department.

The Gavit Theater presented "Jenny Kissed Me" a play by Jean Kerr of "Please Don't Eat the Daisies" fame. The play was an entertaining comedy about an old priest who attempts to get rid of his housekeeper's niece by marrying her off to some fortunate young man. Unfortunately, Father Moynihan does not understand youthful "amor" and botches things up for everyone concerned.

For this production, Mr. Roland Unkuri, the director, tried the idea of a double cast. The "purple cast" played Thursday, December 3, and the "gold cast" performed the following Saturday. The concept of a double cast was used to get more students involved and interested in the play.

Mrs. Deazy (Karen Masleid) introduces her niece Jenny (Terri Scott) to a wary Father Moynihan (Robert Henry) and Marriage-shy Michael Saunders (Tom Mullgraf).

"Jenny Kissed Me"—(Gold Cast)—Front Row: R. Spisak, J. Saltanovitz, G. Smith, M. O'Drobinak, D. Von Almen, J. Skorupa, M. Kenar, J. Kish, M. Shafer, D. Milne. Row 2: R. Henry, T. Scott, T. Student teacher Mrs. Gilcrest puts the finishing touches on Terri Scott's hairdo in preparation for her performance of Jenny.

Father Moynihan (Robert Henry) looks on disgustedly as Jo (Mimi Mayfield) and Harry (Chris Doloszycki) admire Owen (Jim Barrett), who just brought the lawn mower in the living room to put away.

Michael (Tom Fullgraf) and Father Moynihan (Robert Henry) while away some free time in a friendly game of chess.

Ladies' man Owen (Jim Barrett) kisses naive Jenny (Terri Scott) goodnight after a date to a basketball game.

The Gladiator Theater, under the direction of Mr. Roland Unkuri, presented its annual production of three one-act plays.

"The Open Window" by Saki is a story of a high-strung young man on the verge of a nervous breakdown who seeks the solitude of the country. Here he meets a psychologically unbalanced 16-year-old girl who takes advantage of the man's condition with her pathological lies.

"The Boor," by Anton Chekhov, is the story of a coarse-mouthed Russian merchant who has a personality clash with a young and rich widow who owes him money. His "boorishness" and her pseudo-sophistication and refinement collide hilariously in this one-act.

The third play, "The Sandbox," by contemporary playwright Edward Albee, is a deep and disturbing story about old people and death. The abstract play was set in a sandbox and is basically symbolic of people's attitudes toward old age.

CAST OF CHARACTERS (Understudy in parentheses)

1. The Open Window

Maria	Diane Camp (Marie O'Drobinak)
Vera	Mimi Mayfield (Katie Kimmons)
Frampton Nuttel	Tom Fullgraf (Jim Livingston)
Mrs. Sappleton	Paula Gibbs (Pat Burdyl)
Mr. Sappleton	Jim Livingston
Master Sappleton	Paul Demkovich

2. The Boor

Luka	Bob Furlic (Jim Barrett)
Helena Popov	Sue Basanda (Mary Ann Kenar)

3. The Sandbox

Mommy	Melissa Black (Sue Anderson)
Daddy	Mike Harrigan (Paul Demkovich)
Grandma	Joanne Saltanovitz (Judy Royal)
Young Man	Jim Barrett (Paul Demkovich)
Musician	Sher Nightlinger

Grigori Smirnov (Robert Henry) insults Helena Popov (Sue Basanda) as he tells of his contempt for women and their use of their feminine wiles.

Mr. Sappleton (Jim Livingston) listens interestedly to Vera (Mimi Mayfield), who explains the strange behavior of their guest, Frampton Nuttel, with another of her wild stories.

Saki, Albee

Mrs. Sappleton (Paula Gibbs) chats with nervous Frampton Nuttel (Tom Fullgraf) as Maria (Diane Camp) and Vera (Mimi Mayfield) await the arrival of Mr. Sappleton and Master Sappleton.

Helena Popov (Sue Basanda) shows concern about her old, "dying" servant, Luka (Bob Furlie), which greatly annoys the boor, Grigori Smirnov (Robert Henry).

Daddy (Mike Harrigan) and Mommy (Melissa Black) consider what to do after placing Grandma (Joanne Saltanovitz) in the sandbox. The Young Man, the Angel of Death (Jim Barrett), looks on.

Sue Comer, in an elbow patched shirt and wrap-around and Judi Block, wearing an angora sweater, talk with Tula Cartensen, in a mohair pullover.

Fads in shoes found during the year were colored corduroy sneakers, crew socks and tennis shoes, thin black socks and high boots, laced shoes, multicolored patched shoes, t-strap shoes in various styles and colors and leather shell flats with a square vamp.

Decade Brings Big Style Change

Styles of classroom apparel have changed greatly in the past ten years. As you can see from the pictures, the greatest changes were in the styles of shoes and the length of skirts.

In September the Student Council and school administration officially dropped the dress code. Since then students have been wearing slacks, bluepeans, maxi's and now "hot pants."

The maxi coat has become an essential part of a girl's wardrobe. Not only are maxi coats warm but they provide an illusion of mystery (hidden legs) to stimulate male interest.

Leslee Walsh and Janice Wargo display the long and short of fashions: goucho and hot pants.

Chris Doloszycki solemnly accepts the responsibilities of being Student Council President.

This year we had four assemblies. The first, was the inauguration of Student Council officers Chris Doloszycki (Pres.); Jim Barton (Vice-Pres.); Michelle Koval (Sec.); and Diana Cross (Treas.). We also had our annual Community Chest Drive where members of each class told of their trips to places who receive funds from the Community Chest. A different and first time assembly was our Drug Assembly. And, of course, we had our annual elections assembly, for Student Council candidates.

Mr. David Ledeke tells students about the dangers involved in taking drugs.

Science Students Advance Knowledge

Once again biology, chemistry, and health classes have started a new year of learning. Biology classes started off observing the growth of leaf cells under the microscope. Second semester they continued their discoveries by dissecting lower animals.

Chemistry classes, under the observation of Mr. Johnson, did many experiments as well as the usual lectures and exercises.

During second semester, many students also worked on Science Fair projects. Winners in this year's Fair were: Eddie Reiter, Ben Rubin, Joanne Salanovitz, Kent Hill, Ruth Levin, Jeff Davis, Bob Maslied. Many other Gavit students participated in the Fair.

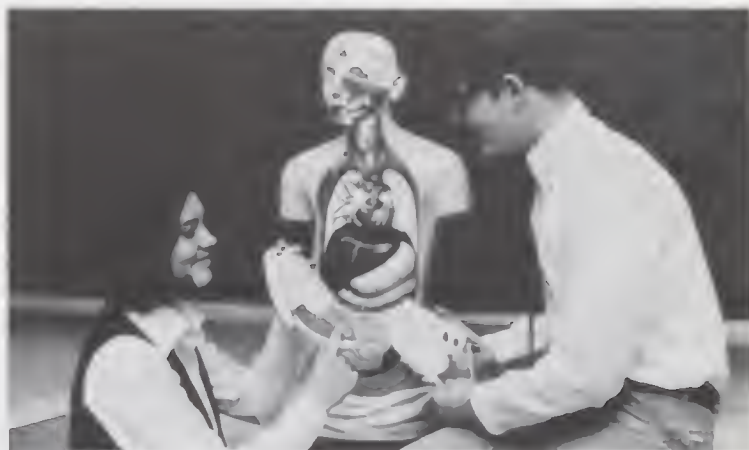

Dan Schuster adjusts his microscope in his examination of the life of bacteria cells. Meanwhile, Randy Scott works on the lab report.

Drawing plays an important part in laboratory work as Lynn Wantroba has discovered. "But the important thing is getting the drawing to look like it does in the microscope!" says partner Alan Molchan.

Chemistry brains Mark Levin and Rich Linseman are intent upon doing an important experiment.

Gavit's school paper has been very successful this year. The paper is written under the supervision of Mr. Donald Kopenec. It attempts to inform students of all coming activities and provides full coverage of stories that have already taken place. It works closely with Gavit's print shop in preparing layouts for production. With the exception of setting copy, the newspaper is entirely student produced.

A Tribute To Beethoven

The Gavit Choral Department, under the direction of Mr. Thomas Clark, had a very active year this past year. Among the programs given were a Fall Concert, "A Tribute to Beethoven" to celebrate his 200th year, and a Spring Concert which was a review of Spring Concerts of the past years. The girls Chorus presented excerpts from "Mary Poppins" and the Boys Chorus worked on "Purple Hills." Numbers from "The Wizard of Oz" and "Camelot" were done by the Mixed Glee Club and the Concert Choir prepared scenes from "Paris! Paris!" and "West Side Story."

The Concert Choir gave various programs around the city, including a live Christmas production at the WJOB studio and Christmas caroling in hospitals. The highlight of the year was an invitation by Valparaiso University to participate in a concert in the "Chapel of the Resurrection."

Industrial Craftsmen Master Vocational Techniques

The industrial arts department at G.H.S. offered many different courses for a vocational trade to its students. The classes offered were wood shop, printing, graphic arts, welding, electronics, mechanical drawing, metal shop, and power mechanics. The students develop their skills by choosing a project and constructing it.

This year in physical education classes, volleyball was taught in November. To show their skills on an actual court, in real competition, the gym teachers held an inter-class tournament.

Other sports taught in girls' Phys. Ed. classes are basketball, bowling, field hockey, softball, track and field, gymnastics, tennis, and badminton.

Some sports taught in boys' gym classes are basketball, flag football, wrestling, gymnastics, volleyball, track, softball, handball, and fishing.

6 Wins — 4 Losses

Jerry Cameron leads in tackles (38)

Alan Stephens leads in individual scoring (54 points)

"Come on boys, let's get a touchdown!" yells Coach John Quinn, as Assistant Coach Paul Brush looks on.

The Gladiators football team started out this season in great fashion, winning the beginning four games with the first loss to Clark. Gavit's team, with new Head Coach John Quinn, won four Lake Shore Conference games with three losses. Our team came in placing third in Lake Shore Conference games.

Our new coach seemed to help our team tremendously. More enthusiasm and spirit filled the team as well as the fans.

Our homecoming game which was held on Oct. 16, against Washington, was won 28-0 with fantastic joy!

Overall, Gavit's team ended the season with a 6-4 record.

Gavit's Tri-City All-Stars were Wayne Snider—offensive tackle and Terry Irk—linebacker. Named to the Lake Shore Grid All-Stars offensive unit were again Terry Irk, and John Krsak and Jerry Cameron (defensive unit).

"Look out Alan, he might get you!" But Terry is fast on his trail.

Coach Rodriguez Preps Frosh Football Team

Freshman Football Coach Mr. Gene Rodriguez prepares new gladiators for a tough season.

The first steps he takes is to emphasize the basic fundamentals of the sport. This ensures good quality and sportsmanship for the coming years, when the boys will be on the varsity team.

Mr. Rodriguez hopes to be able to help with the varsity string in the near future.

Grapplers Take 6th Consecutive Title

Picking up where they had left off in five preceding years, Gavit's talented group of grapplers picked off their consecutive conference title. The Glads refused to give up their hold on the trophy, finishing with a perfect 7-0 record in conference action, and an 11-1 overall record. The lone loss was a decision (23-21) to an outstanding Hobart squad.

Besides copping the conference duel meet championship, Coach Smith' and Coach Ballou's crew finished first in the conference tournament held at Morton. Gavit had two men placing first in the tournament; Jim Barton in the 132 lb. division and Bob Baker in the 185 lb. division. Finishing second were Jerry Cameron at 145 lbs. and Joe Labus at 167 lbs. In third place were Mike Lozano, 112 lbs., Mike Shafter, 119 lbs., and Mike Howe, 126 lbs. Mick McLaughlin took 4h at 105 lbs.

Returning next year for our grapplers are six letter winners. They are: Mark Van Burskirk, Mike Lozano, Mike Howe, Andy Kmiec, Marty Hadu and Joe Labus. The corps of returning lettermen should enable the Glads to capture their 7th consecutive conference championship.

Grapplers Capture Conference B Title

Under the direction of Assistant Coach Bud Ballou, the B-Team grapplers kept in step with the varsity and grabbed their own conference trophy by compiling a 6-1 conference record. With the graduation of many outstanding performers from the varsity squad, there are sure to be many positions left open for underclassmen. Frosh Basketball Finishes With 6-5 Record

Gavit's B-Team basketball split its season this year with a 5-6 record. The Gladiators defeated Tech and Clark, but were downed by Hammond High. Outside the school system the team has a dismal record with losses to TF North and South, Griffith, Hobart, and Calumet.

Gavit Wins in Courts

The Gavit Tennis Team ended a victorious season this fall. Although five of their top members will be graduating, the return of the underclassmen will insure another winning season next fall.

Gavit High, having one of the best tennis teams around, has already established a reputation as one of the areas toughest competitors.

Ken Orze takes a breather before the big match.

Moving on to another victory, Mike returns the serve.

Track Team Emphasizes Sportsmanship

The Gavit track team, coached by Mr. Earl Thompson, has achieved many things this year with emphasis put on sportsmanship. Gavit has competed in many track events and feels they know the difference between winning and losing. But, no matter what the outcome, we come first in "sportsmanship."

Three members are ready and willing to compete.

Track Team: Row One: A. Vandersteen, P. Budrean, J. Parsley, H. Houge, M. Sanders, J. Kaye, D. Ford, L. Hebda, T. Fontenbury, D. Prugh. Row Two: L. King, M. Hansen, T. Bajusz, P. Boldin, T. Baseball . . . Gavit's Top Spring Sport

Coach Banas and assistant coach Brush do their best in the preparation of a winning team. Taking into consideration the material (equipment) and the people they have to work with they do a fine job in the preparation of Gavit's "Bat-Men" Baseball team. The score stands at five wins and five losses.

With coach Banas coaching Baseball and Basketball, he has a busy schedule. But he always has

the extra time it takes to make a winning team. He showed this by capturing the conference championship last year.

Our defending champions suffered only slight losses due to the graduation of the senior members. This year the loss was compensated by the experience gathered by the newer members of the team.

The appearance of soccer to the Gavit sports grind shows the growing popularity of this once-exclusively-English sport. The speed and power of soccer has begun to kindle a flame of interest in GHS athletes. Although the team has been small, the initial interest is a good sign of better years to come. With team work, coaching by Mr. Quinn, and a spirit of "soccer it to 'em," GHS may head the soccer scoreboards in future seasons.

With Irons and Woods Golfers Tackle Links

The Golf team, coached by Mr. Goodnight, will be suffering a loss at graduation time. Five of its top members will be graduating. With only three returning members, the team might have some problems. These members show promise but the team could use new members to share in the victories.

The Gavit Science Club started its first year under the guidance of Mr. Johnson. One of their many activities was entering the Science Fair. President Ed Reiter and Vice President Ben Rubin went to the Regional Fair. They also worked on creating a teslacoil with 2,000,000 volts. These enthusiastic students met almost everyday to work on their projects. In the future, the club hopes to make a field trip to U.S. Steel and have more Science Fair winners from the club.

The Cinema Club made a movie this year that was shown in English classes. The A.V. Club helped students and teachers, alike, by showing movies for classes.

Basketball Starts for Girls

The GAA basketball team, under the supervision of Miss Kelly, had a good year. The GAA basketball team is in its third year and this year was the first year that they did well. The B-team did outstanding with 10 wins and no games lost.

The Varsity didn't do as well, with 7 wins and 4 losses. The biggest game of the season was in Elkart, Indiana, where Gavit came in second place. When the basketball season was starting there were 64 girls who tried out but only 35 made either B-team or Varsity. B-team consists of freshmen and juniors and Varsity consists of freshmen and seniors.

The Gavit Marching Band, Drill Team, and Twirlers supported their school by performing at various sports programs. They participated in the annual Christmas Parade, Fourth of July Parade, and several home football games. The Drill Team and Twirlers also participated in basketball half-times. During the Homecoming half-time, the Drill Team and Marching Band entertained the thousands of spectators with their intricate formations, snappy tunes, and peppy pom-pon routine to the tune played by the band.

The Twirlers linked style and agility to the Marching Band and Drill Team. Their new uniforms added some spark to their skillful routines. They performed to "Sand" during a basketball half-time.

The Drill team made new gold vests to coordinate with their purple culottes. Their emblem is a boot with their name. The Drill Team performed several peppy routines during basketball half-time sessions and pep assemblies. They even participated in a fall concert by accompanying the band with a pom-pon routine.

Sewing Club Sponsors Service Projects

The 1970-71 Sewing Club, sponsored by Mrs. Loretta Schneider, again completed another year of beneficial activities. The club usually sponsors one service project per year. This was a busy year for the club; three such service projects were completed. The first project consisted of the girls sewing brightly-colored strings and attaching them to the boys' blue denim

shop aprons. Twenty stuffed toys were made for the CUC (Care of Underprivileged Children) Christmas Collection. The nap-time toys were distributed to twenty underprivileged children throughout the area. The club also sponsored a Valentine's Day party at the Woodmar Child Development Center, which is located at Woodmar Methodist Church. Here, again, nap-time toys

were made for the children.

To supplement the three major activities, the girls ordered kneedle work kits, consisting of knitting, crocheting, and flower looming activities.

The club consists of ten interested girls, two of which serve as lab assistants in Mrs. Schneider's regular sewing classes.

PERSONALITIES

Candy Sales Help Class of

As freshmen, four years of high school seemed like an eternity. Now, unlike eternity, those four years have come to an end. The first symptoms of Senior-itis appeared with Football Homecoming as Seniors banded together to construct their float. Progressing thru the fall,

they traveled to Washington, D.C. and New York, combining a lesson in national history and sight-seeing. In December, the Class of '71 held a Christmas party.

When the year 1971 became reality, seniors eagerly anticipated the events to come. Wills and Testa-

ments were written, leaving memories of their high school years to fellow seniors and underclassmen. The Senior Class Banquet was held at the Scherwood Club where prophesies were read concerning the futures of members of the Class of '71.

Senior Class Officers: Mike Jones, (President); Jane Ballon, (Representative); Pat Pappas, (Secretary); Judy Bartnik, (Treasurer); Sharon Hurd, (Representative); Rod Cook, (Vice-President).

'71 On Road To Success

Candy Kessey, Linda Kiser, Jane Ballon, Mary Michna, and Sharon Britt show Joyce Barnes the proper way to meditate.

Seniors join with other Lettermen to pose before B-ball battle with Gavitt faculty.

In charge of music appreciation, Atrium monitor, Terry Cook, adjusts stereo.

As Class of '71 Graduates

Phyllis Weimer smiles as she gets measured for her cap and gown.

A big grin from big senior John Krsak.

Baran stop at the lockers Melany Zbikowski and Lee Baran stop at their lockers before going to their next class.

Juniors Set "A Time For Us" as Theme

CLASS OFFICERS—Andy Kmeic, President; Meredith Allen, Secretary; Sherry Zile, Treasurer; Gayla Lewis, Vice-President.

The class of 1972 began their first year as upperclassmen with a football homecoming float entitled "Dial V for Victory." The float was a giant gold telephone with "VICTORY-72" on the dial. A loud bell rang at intervals.

In preparation for college, the Preliminary Scholastic Aptitude Test, the National Merit Scholarship Qualifying Test, and the Scholastic Aptitude Tests were taken. Counselors were busy helping juniors choose colleges and universities. Counselors also aided student in selecting a course subject area for their undergraduate programs.

The highlight of the junior year was the prom, "A Time for Us." The prom was held on May 14 at the Ramada Inn in Dolton, Illinois. Entertainment was by "Ronnie Rodger's and his Orchestra." The post prom music was supplied by "In the Beginning." Ruth Karanovich was the prom chairman.

The junior class was led by Andy Kmeic, president; Gayla Lewis, vice president; Meredith Allen, secretary; and Sherry Zile, treasurer. The class sponsors were Miss Louise Williams and Mr. Clayton Marquardt.

Sophs Look Ahead To Upperclass Years

CLASS OFFICERS—Seated: Joyce Murfin, Merrill Clark. Standing: Michele Merrick, Diana Fea.

In celebrating football homecoming, the sophomores decorated and presented the float theme "Hang Out The Wash," featuring a Gavit clothes line with "washed out" senators jerseys.

Sophomores in good standing in the class displayed their pride by ordering their class rings in the early weeks of February.

In preparing for their prom in '72, the sophomores elected a chairman and committees. A prom site was also selected.

Officers directing the Class of '73 were: Merrill Clark, president; Joyce Murfin, vice-president; Diane Fea, secretary; and Michele Merrick, treasurer. Sponsors of the class were Mrs. Jeanne Moll and Mr. Donald Kopenec.

Freshmen Win in Float Competition

CLASS OFFICERS: Seated: Ann Michaels, Dan Malloy. Standing: Vicki Thornsberry, Carol Smith, Scott Brown, Debbie Hines.

The Freshmen Class showed a great deal of enthusiasm for school spirit by placing first in the Football Homecoming float competition. The theme was "Senators, You Didn't Have Your Wheaties." This is the first time in the history of Gavit that the freshmen have won first place.

To satisfy their upcoming needs in high school, the Class of '74 sold candy. Each person selling \$10 worth received a free ticket to the class party.

The freshmen were under the leadership of Dan Malloy, president; Ann Michels, vice-president; Vicki Thornsberry, secretary; and Debbie Hines, treasurer. They were sponsored by Miss Karen Button and Richard Clausen.

AN OPPORTUNITY TO SERVE

An opportunity to serve awaits industrious young men and women at Northern Indiana Public Service Company. As one of the top gas and electric distribution utilities in the United States, NIPSCO is constantly looking for new processes and methods of efficient operation. These include atomic power generation, extra high voltage transmission, underground electric distribution, computerized system planning, underground storage of natural gas, community analyses and electronic data processing.

Ready to grow with a growing company?

IN AN ATMOSPHERE OF GROWTH

NIPSCO is one of the highest-paying utilities in the State of Indiana. Its attractive employee benefit package—tuition refund plan, vacations, holidays, life insurance, comprehensive medical insurance, pensions, etc.—provides an atmosphere for individual growth. Fifteen leading colleges and universities are strategically located throughout its service area with others available in the greater Chicago area. Drop in. We'll be glad to talk jobs with you.

UP UP AND AWAY . . . !

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

Students Rally To

Students develop an awareness for pollution problems that threaten the future of clean air and water. EARTH DAY 1. Students replace exhaust-spewing autos with bikes and the oldest method of transportation-feet.

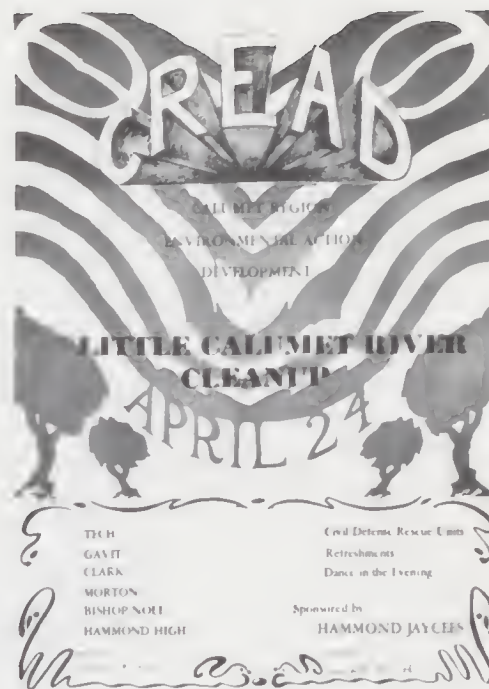

O, say can you see through the dawns early smog?

Defend Mother Earth

Students show concern for environment with thought-provoking posters, Science Fair projects. EARTH DAY 1, April 22, 1971. Youth unite labor and time to clean up local eyesore—the Little Calumet River.

Each dimple in the water,
Each leaf that shades the rock
Can cozen, pique and flatter,
Can parley and provoke.
Goodfellow, Puck and goblins,
Know more than any book.
Down with your doleful problems,
And count the sunny brook.
—Ralph Waldo Emerson

"And if from man's vile arts I flee
And drink pure water from the pump;
I gulp down infusoria,
And quarts of raw bacteria,
And hideous rotatorae,
And wriggling polygastricae,
And slimy diatomacae,
And various animalculae
Of middle, high and low degree."
—William Juniper:
"The True Drunkard's Delight"

"Brush your teeth with the best
toothpaste,
then rinse your mouth with industrial
waste."
—Tom Lehrer, A.D. 1965
